

Brian J. Triche

SENIOR CONSULTANT

bjtriche@
interface-consulting.com

Brian Triche, a senior consultant for Interface Consulting, focuses on mechanical engineering issues and management consulting. He specializes in analyzing construction claims involving late and/or excessive changes, deficient drawings and specifications, differing site conditions, and schedule delays. Mr. Triche's litigation work involves analyzing schedules and productivity, assessing entitlement to damages, and quantifying damage models using the measured mile, modified total cost, and discrete change methods.

Work History

Interface Consulting International, Inc.

Houston, Texas

Senior Consultant

- Assesses contract risk, analyzes damages, and provides management consulting
- Develops project schedules for owners and contractors
- Analyzes graphics and demonstrative evidence for use in presentations, mediations, arbitrations, and trials
- Provides mediation, arbitration, and litigation assistance as a consultant and/or expert witness

Texas A&M University, Technology Licensing Office

College Station, Texas

Project Manager

- Marketed university engineering technology to industry
- Drafted marketing proposals to potential investors
- Formulated and communicated ideas to potential licensees

Houston Lighting & Power

Houston, Texas

Summer Engineering Aide

- Supported creation of business plan for Non-Destructive Testing Division
- Rendered AutoCAD drawings for pumps
- Analyzed fluid flow through piping system to determine pump size
- Supported cooperative effort between HL&P and GE in upgrading gas turbines at Wharton Power Plant
- Managed inventory for fire protection system

Professional Affiliations

Member – Pipeliners Association of Houston
Associate Member – Associated Builders & Contractors
Associate Member – Associated General Contractors

Publications & Speaking Engagements

“How Design Documents Can Prevent or Cause Construction Claims in Texas,” Lorman Education Services, April 2005.

Representative Project Experience

Civil & Infrastructure

Bayport Terminal Complex
Green Street Bridge Interstate 80
Houston Intercontinental Airport Cargo Facility
Interstate Highway 10 Orange County
Lytle Lake Water Control & Improvement District

NASA Road 1 Reconstruction
Pennsylvania Turnpike Commission Roadway
Polifly Road Bridge Interstate 80
TxDOT Airport Boulevard Project
William P. Hobby Airport/Terminal Expansion

Commercial Facilities & Buildings

Andersen AFB Military Family Housing
