

Donald G. Armstrong, PE

PRINCIPAL CONSULTANT

dgarmstrong@
interface-consulting.com

LICENSED PROFESSIONAL
ENGINEER
State of New York

Advisory consultant Donald Armstrong joined Interface Consulting in 1988, and has over 40 years of domestic and international construction management experience encompassing general, heavy, civil, and marine construction. In his tenure as a former director for a top ENR 100 international construction firm and in overseeing operations for Interface Consulting, Mr. Armstrong is an authority in construction and project management as well as claims preparation and analysis. His experience includes international construction project management, claims management, and management consulting.
