interface-consulting.com

**CERTIFIED PUBLIC
ACCOUNTANT**

Carolyn Lang Morgan, controller and a senior consultant for Interface Consulting, has over 25 years of financial and accounting experience in the real estate, construction, and legal sectors. In addition to her corporate duties, she advises clients in a variety of areas from audit, financial and management consulting to claims and litigation support services. Specializing in managerial and cost accounting, she assists in forensic analysis, construction accounting, and auditing matters. On project assignments, she analyzes financial reports and statements and cost variations involving budgeted versus actual costs, direct and overhead costs, and general and administrative costs.
