# John M. Robertson, PE

## Senior Consultant

John Robertson, a senior advisory consultant with Interface Consulting, has over 40 years experience in the engineering industry. During his career, he has worked primarily overseas in areas such as Guam, Kuwait, Saudi Arabia, Taiwan, and Thailand. Mr. Robertson is a specialist in government contracting and focuses on contract dispute resolution, project management, cost analysis, management oversight, and claims management. His experience includes airport, rapid transit, roads and bridges, defense, petrochemical, and refining projects. He is a licensed professional engineer in Texas, Hawaii, Washington, Missouri, and Virginia. Mr. Robertson holds a Bachelor of Science in Architectural Engineering from Virginia Polytechnic Institute & State University.
