

INTERNATIONAL ARBITRATION EXPERTS

Interface Consulting's construction experts have worked and testified in the world's premier international commercial and investor-state arbitration forums and understand the specific requirements of each, including the following:

- Vienna International Arbitral Centre (VIAC)
- London Court of International Arbitration (LCIA)
- International Centre for Dispute Resolution (ICDR), the international branch of the American Arbitration Association (AAA)
- United Nations Commission on International Trade Law (UNCITRAL)
- International Chamber of Commerce (ICC) International Court of Arbitration
- Other Ad Hoc arbitration proceedings

The firm's experience includes projects in over 60 countries located on almost every continent including Africa, Asia, Europe, Australia, North America, and South America. Interface Consulting's team of qualified and internationally-recognized testifying experts possesses the experience, knowledge, and expertise to assist with arbitrations involving large, complex international capital projects.
